MULLIAM RUSSELL,
Author of "Pulpit Elecution," "American Reader," "American Elecutionist," &c.

502 pares, Pimo. Cloth. Price, \$1 25.
The following are characteristics of this work:

1. The relection of pieces for practice has been made with express reference to the actual wants of the academic declarations, as experienced in the daily exercises of the class room. It excludes alike the formal political haranques which belong to later stages of education, and those merely juveralle exercises which before properly to primary schools.

2. No pieces have been admitted butglaces which have been actually found interesting to the class of pupils for whose use the work is intended, and which have been bound conducte to the formation of an earnest and animated scyle of address.

3. It presents a very large number of elegant and brilliant passages for reclasions, not found in other collections, including many selections from the most recent productions of eminent corters and poets.

4. The introductory part of the work is furnished by Prof. Russell, and treats of the subject of gesture in a clear and practical manner, adapted to the personal training of yours speacers, with a view to be formation of a correct, easy and graceful style of declamation.

THE NEW-YORK SPEAKER contains 233 selections for

THE BAY PATH:

A TALE OF NEW-ENGLAND COLONIAL LIFE.
By J. G. Holland, A. M., M. D.
Author of the "History of Western Massachusetts," Edito Springfield Daily Republican, Ac.
1 vol., 12mo. \$125.

An original and viscorously grawn picture of Paritan times is Massachusetts, worthy of a permanent belie by the side of the "Searlet Letter" and "The Sevent Gables." A perman of this work will conclusively show that the early colonial life of New England, though cramped in its accede, rigid in its soviety mental policy, formal in its society, and housely in its details was neither without its romantic aspects, nor its heroes, thigh or humble position, with whose full hearts, independen with, and manly struggles, the largest spirit of this age may full sympathics.

high or numble position, which was appropriate of this age may fully sympathize.

The author is the well-known and popular editor of The Springfield Daily Republican, a paper of the first rank in New-England. We believe that "The Bay Path" justly entities him to a place among the first American novelists.

THE DEATH SHADOW

TROPOLIS.

Cash! there was a cry, protracted, terrible, dying away upon the sulen blast which swept from off the dark and lonesons river; a voice, a stiffed, archived voice minigled fairfilly with the wild apractily wailing of the wind. Crash! a fearful sound—the echo of a blow cleaving through brain and life; and immediately thereupon there floated by upon that gust of wind, the first remove ful and despairing grown from the breast of a must describe the contraction.

Two hours bind passed: two long, unutterably dreadful hours, and yet the work was not complete.

Anon, the darkness and the tempest cleared away, and rerealed the higher heaven of clouds through which two bright tars shone out, like two avending eyes to note and chronicle his deed. At intervals, another and another star looked through he dark vall of clouds, making the man to pause often in his resoluting task, and to gaze upward with inquietade and dread upon he still brigh enings ky; and as the faint reflection of the rising moon showed their upon the broad dimedges of the packed louds, with palpitating heart and parched and cracking tips the murrers robed with redoubled force.

Another hour passed, and at length the weary man arose from is taken.
